Hi Dru,
Thanks for catching that typo. Please make that change.

Thanks also for sending the email text. I made a few changes in the attached version. I will let you know the deadline date once I am ready to mail the letters.

Could you send me the updated tribal contact list, please, when your think it is ready? I would like to begin working on address labels.

Thanks!

Valois

Hi Valois,
After our call yesterday, Mary Ellen noted that if Cadmus is sending the emails containing the consultation letters we will need standard transmittal email text as well. I've attached draft transmittal email text for your review. Please let us know if you have any edits.

The second item is related to the consultation letter you provided, in the first full paragraph we believe it should say "an updated draft Environmental Justice Analysis" versus "a updated draft Environmental Justice Analysis" (the attached version of the letter has a comment to show the location of this sentence). Please let us know if we should make this change.

If you have questions on either item please feel free to email or call,

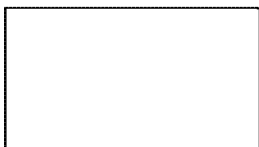

Thanks!

Dru
